

“Vietnam Vet” Turns Turbulent Times To Triumph!

Kevin Freeman has experienced much in his life. As a young man he was sent to the Vietnam war and has experienced his share of pain and personal loss.

KEVIN FREEMAN

Kevin has always had a passion for motor racing. In the early 70's he raced against Moffat and Brock. He almost lost his life in a unusual accident at Avalon Speedway in 1986. In 2006 he had a new racecar constructed and began the OUTREACH 500 concept. This is a chaplaincy ministry to the speedway competitors and their families.

Kevin's humble but inspirational testimony illustrates his determination to make a difference in the life of others. You will be encouraged by his story and how hopelessness, loss and pain was turned into Triumph. The “OUTREACH 500” Speedway chaplaincy ministry will also be launched at this breakfast
